- A record of every movement
- Complete route history
- Instant alerts on your phone
- Management of custom points and geofences
- Geofence entry and exit alerts
- Share the location of the container
- International multi-operator connectivity

ACCESSORIES

Protect and locate your trailers

GPS padlocks

Know where the cargo is, open it only when you authorize it and get an alert if someone tries to force the trailer.

BLE Beacons for trailers

One beacon per trailer: know which truck it is hitched to and where it was left, with no wiring or power supply.

Temperature and humidity sensor

Trailer temperature, humidity and door opening, with alerts and a record of every trip.
